ADMISSION POLICY

Saint Ann School admits children of all faiths and races. However, priority for admission will be given in the following order:

- 1) Families with children currently enrolled and in good standing with Saint Ann Parish.
- 2) Active parishioners of the Church of Saint Ann. The pastor will determine which families are active; factors which the pastor may consider include:
 - a. regular attendance at Mass.
 - b. regular use of the envelope system.
 - c. involvement in parish ministry (for example, lector, usher, Eucharistic Minister, special parish projects, etc.).
 - d. registered for at least one year.
- 3) Families from neighboring parishes who present a letter from their pastor stating that they are active parishioners.
- 4) Families from Saint Ann and neighboring parishes who have been registered for less than one year.
- 5) Non-registered Catholic families, families of other religious denominations, and registered non-supporting Catholic families.

Although we would like to be able to accept any student interested in a Saint Ann School education, we recognize our limitations. As each class fills, we will establish a waiting list that will be drawn from as space becomes available. We may not be able to accept all students who apply but will do our best to expedite this process and notify you as soon as possible.

All students being admitted into Saint Ann School are admitted on a probationary basis and will be asked to sign a form acknowledging their understanding and acceptance of this policy. The probation period may be extended if warranted. You will be notified immediately of any concerns your child's teacher or the principal has regarding your child's progress during this period and what is expected from the student in order to continue their education at Saint Ann School. Any student being admitted to our 8th grade must be transferring from another Catholic school. Students who have been home schooled may be asked to take diagnostic tests to determine status and placement.
