

Attention Saint Ann School Parents!

Unfortunately, not all parents/drivers are following the proper guidelines in the morning when bringing students to school. These guidelines are in place to ensure the safety of all our students and it is imperative they are followed closely. Please read the following carefully and call the school if you have any questions about the procedures. Also, please remember to correctly instruct temporary guardians who may be bringing students to school.

- Children who are car riders or walkers may arrive no earlier than 7:30 am. Please do not attempt to enter the school building before 7:30 am.
- Enter the circle from the school/church parking lot or from Eldridge Avenue. **You may not enter the circle by turning left onto Rossa Avenue from Lawrence Avenue or by turning right off of Rossa Avenue.**
- After entering the circle, pull your vehicle up as far as possible behind the vehicle in front of you. If you are the first vehicle, you should pull up to the end of the sidewalk. Do not stop directly at the front door of the school.
- Children must exit on the passenger side of the vehicle with all their belongings. Parents may never exit the vehicle and no one is permitted to open the trunk area to remove any belongings. If your child needs assistance leaving the vehicle, then please use the parking lot.
- After your child has exited the vehicle, and the vehicle in front of you has left, please exit the circle and turn right only. You may not turn left onto Rossa Avenue. Do not pull around vehicles stopped in front of you, especially buses.
- If you or your child are unable to follow the directives above or you do not wish to use the drop off circle, then you must park in the school/church parking lot and walk your child across Rossa Avenue.
- Do not park on the neighboring streets. This is a courtesy for our surrounding homeowners and we have received several complaints regarding this.
- Please be sure to use the approved crosswalk on the north side of Rossa Avenue (the crosswalk on the right when facing the school). **Do not use the crosswalk on the left as this impedes the traffic leaving the drop off circle.**

Thank you for your cooperation in this very important matter. Please be aware if these guidelines are not strictly followed, the school may have to revise the opportunity to drop students off in the circle.
