

Dear Saint Ann Families,

Christ is Risen! Alleulia! The simplicity and sacrifice of Lent are over. We can relax And enjoy the glory of Jesus and the love He has shown for us through His Resurrection. All the world reflects this joy!

Eastertime is about life. We celebrate new life with the symbols eggs, rabbits, chicks, flowers, green grass and butterflies. We rejoice that new members of our parish entered the life of our Church when they were baptized and confirmed at the Easter Vigil. All of us nourish the life of God when we share in the Easter sacrament of the Eucharist. And so we sing over and over, "alleluia", "praise God."

Easter is also a time to turn our thoughts from the darkness of winter to the brightness of Spring. It is a time for all of us to start thinking about life. A life lies before each one of us. It is a life of promise; a life rich with rewards. We know that there may be hardships and struggles, but we also know that there will be laughter and love and growth, and those are qualities well worth working for.

In this season of life; in this season of renewal; in this season of growth; let each of us resolve to be the best that we are capable of becoming; to strive for the best in everything we do; to live our lives in a positive manner that, like Spring, will lead to growth and happiness, and improve the quality of life for everyone.

Together, as partners in faith and education, may we strive to bring our children to the full realization of the daily living of their faith. Enjoy a beautiful Spring, filled with the promise of Peace and Life. I wish you all a joy-filled Easter.

Respectfully,
J. McKenna
Principal
