

January 10th, 2018

Dear Parents,

Due to the overwhelming success of STREAM Camp at Saint Ann School in the Summer of 2017, Saint Ann School will be partnering with Saint Raphael School to offer a collaborative STREAM summer camp this year for rising students in grades 2-8 from both schools. We are excited to continue to raise the bar and challenge our students to think and work together in a hands-on way.

Countless studies have revealed that students learn best by doing. STREAM is all about doing, making, creating, connecting with community, utilizing technology across all subjects and developing the creative process.

WHY STREAM CAMP? STREAM Camp teaches a variety of specialized courses including Science, Technology, Religion, Engineering, Art, and Mathematics. Every learning activity is tailored to the children's grade and age. These activities will include programming, robotics, 3D design, electronics, science, and Team challenges. In conjunction with Pope Francis' Laudato Si letter, students will relate activities to helping the environment and service to humanity to achieve a greater appreciation for "our common home".

Camp hours are planned for 9:00 am to 4:00 pm, with the option of Before- and After-Care, based on the amount of interest we receive from the [Interest Form](#).
<https://goo.gl/forms/A4tUZDvQuhb0Q2BV2> (A link to this form was also sent digitally.)

Last year, two weeks of STREAM Camp were offered, and we would like to extend it to four weeks if there is interest to do so. Below is the planned breakdown. If there is not enough interest in a particular week, we will not run that week.

- June 18-22 at St. Ann
- June 25-29 at St. Ann
- July 9-13 at St. Raphael
- July 16-20 at St. Raphael

Tuition is \$250 per week.

Please complete the [Interest Form](#) by **5:00 PM JANUARY 16TH 2018** so that we know how many weeks are necessary to accommodate all students from both schools who are interested in attending camp at either school. If you would like to attend a particular week, please check that week on the interest form below so that we can ensure that week will be offered.

Please feel free to reach out to us with any questions, recommendations, concerns or requests. Our collaboration email address is camphelp@st-ann-school.org.

Best regards,

Mrs. Smith, Mrs. Daniel, and Mr. Cruz
