

St Ann School: Shop With Scrip Program: What is it?

(Formerly called Retail SuperDollars)

Earn tuition credit or PTA financial commitment while you shop!

What is it?

Purchase physical gift cards or e-cards

- Each purchase earns a rebate
 - The rebate is split 50/50 towards your PTA commitment and towards your child's tuition (proceeds applied 2x per year for tuition). During special promotion periods, rebate split changes to 60/40 tuition/PTA.
 - Rebate Example: Purchase \$100 Barnes & Noble gift card, offering 8% rebate. You pay \$100, an \$8 rebate is generated and split: \$4 goes toward your PTA commitment, \$4 towards your tuition.
- Gift cards and e-cards are available for many different area restaurants, retail stores and entertainment sites!
 - Check out all the available retailers and rebates on shopwithscrip.com!
