- The receipt is the way we record family tuition credits and the \$100 commitment.
 - Without a receipt we cannot give credit to the family.
- The *Family Name, Date, and Total Order Amount should be filled in on each receipt.
- If neither option is checked on the receipt, all of the profit will go to fulfill your \$100 financial commitment.
- When purchasing at the Faith Development Center, it helps our volunteers if you fill out your own receipt.
 - Orders sent in through school or dropped off at the FDC will be sent a receipt with their purchase.
